Dear Don:

Thanks for the postcard and the welcome home. The skiing was great and no broken legs.

As to the movie, I would suggest that you contact Harold Weisberg directly (Route 8, Frederick, Maryland, (301) 473-8186).

Now that a trial is in the offing, Jim Lesar and I will be foreclosed from any commercial venture whatever. Not only would our participation raise ethical questions, but worse, it would put as in the same box with Hanes and Foreman, about which we are screaming our heads off. I'm sure you will understand.

I do look forward to visiting with yourrwhile you are in the neighborhood. We have much to discuss.

Best regards,

Bernard Fensterwald, Jr.
